

DONATE YOUR CHORES

Do you have chores you have to do at home? Why not do them for a good cause and donate the money you make to local families with cancer!

It's simple:

1. Determine ten chores you will do throughout the week
2. Talk to your parents about how much each chore is worth
3. After you do all ten chores and collect your earnings, donate the money to Bringing Hope Home! Amazingness-in-Action!
