

Tee It Up for Teal Golf Outing and Dinner

August 6, 2018 – Downingtown Country Club

ABOUT BRINGING HOPE HOME

WHO WE ARE

Bringing Hope Home® is a 501(c)(3) that provides unexpected amazingsness to local families with cancer through financial and emotional support. Founded in 2008 by Paul Isenberg and Tim Sherry—BHH began in honor of Paul's late wife Nicole, who lost her battle with cancer in 2003 at the age of 39. We were created to help families struggling with a cancer diagnosis. It is our mission to provide a light of hope to families in need so they can focus on their loved one rather than on the financial bills.

WHAT WE DO

Here at BHH, we pay essential household bills for families with cancer while they are going through treatment. We provide a one-time grant to help alleviate the financial stress that cancer brings. This ensures that families are able to stay in their homes, with the lights on, utilities working, phones on, and food on the table. We help families of any age, gender, race and cancer type.

AMAZINGNESS AT A GLANCE

Since 2008, we have:

- Directly helped over 4,600 local families with cancer
- Supported families with over \$5.6 million in assistance
- Assisted families with over 60 types of cancer from 62 cancer centers.

ABOUT THE EVENT

Local Impact

Les Mills and Alicia & Angelo Dellario are planning to keep Teal Hope alive and start a new golf tournament similar to a past golf outing with the support of Bringing Hope Home. Alicia Dellario is a BHH board member as well as a cancer survivor multiple times. Les Mills has been a long time supporter of Brining Hope Home. The three leaders will be recruiting additional committee members with plans to raise funds and awareness for local families battling this tough disease. There will be a specific focus raising awareness about ovarian cancer (teal).
