

Unexpected amazingness
for families with cancer.

Dear Friend,

Please allow this letter to introduce you to **Bringing Hope Home (BHH)**, a terrific organization that pays critical household bills for local families with cancer in the Greater Philadelphia Area. We are currently seeking support for the 14th Annual Great Guys Dinner, Bringing Hope Home's largest fundraising event of the year that raises money to support the mission of delivering hope to families with cancer through emotional and financial support.

We kindly invite you to support BHH by donating an item or package for the auction at the 2015 Great Guys Dinner, taking place on Wednesday May 6, 2015 at the Springfield Country Club in Delaware County.

Bringing Hope Home is a local 501c3 charity whose mission is to provide unexpected amazingness to families with cancer in the Greater Philadelphia Area through emotional and financial support. We do so by providing a one-time grant to pay critical household bills for families with cancer so they can focus on their loved one instead of the daily bills. It is BHH's goal to ensure that local families are able to stay in their homes, with the utilities working, phones operating and food on the table while they are fighting cancer.

The Annual Great Guys Dinner continues to be Bringing Hope Home's largest fundraising event of the year, and is one of the main reasons why they are able to make such a difference in the lives of those battling cancer in our local community. The 2015 auction goal is to raise over \$125,000 the night of the event this year—so anything you are able to donate is greatly appreciated. Since 2008, Bringing Hope Home has paid bills for over 2,050 families with over \$2.3 million in grants. BHH was recently recognized for their impactful work in the community as **2014 Non-Profit Organization of the Year by the Greater Philadelphia Chamber of Commerce (GPCC)**.
