STOMP TEAM SHIRT ORDERS

Ordering team shirts for the STOMP is a great way to come together on race day (and look good doing it!) This year we are partnering with [CreateMyTee](#) to provide quality shirts at an affordable rate for our teams. The rates per garment includes all set-ups, artwork and design, as well as shipping.

[CreateMyTee](#) is also helping us STOMP cancer by donating \$1 from every STOMP Team Shirt ordered back to BHH! To get your team shirt order started, email [Andrew Haseltine](#) at andrew@createmytee.com. Please see details on Team Shirt orders below.

Shirt Prices

- If you order a minimum of 15 or more total shirts for your team, the price is \$11.50 per shirt based on 15 Gildan 50/50 DryBlend Shirts in Any Color (S-XL) with a 2 Color Front.
- The overall cost per garment includes all set-ups, artwork and design, as well as shipping.
- If you order 20+ shirts, the rate is \$9.99
- For larger teams, you will be eligible for even lower pricing because of team size
- Once you contact Andrew and get the process started, they will help you design an awesome team shirt. The shirt design is included in the rates above!

Order Dates & Payment Options

There are 2 options available for you: Group Shirt Website Ordering & Bulk Ordering

- **Group Ordering:** For this option, CreateMyTee will provide you with a shirt sale website where team members can go on individually and pay for their shirt(s), pick their sizes, etc. This alleviates having to collect money from everyone on your team. If you choose this option, you must reach out to Andrew and have your team shirt design started by the week of **August 10th**. The shirts will be shipped directly to the main point of contact on the team.

- **Bulk Ordering:** For this option, the team captain (or whoever on the team is coordinating the shirt order) would collect sizes and pay for the entire shirt order in full. Team members would then pay the captain (or whoever is coordinating the shirt order) directly. For this option, teams need to have their shirt design/artwork started by **August 28**, and the shirt order must be placed by **September 4** to ensure the shirts are received by race day. The shirts will be shipped directly to the main point of contact on the team.

Thanks for **STOMPING** cancer with us!
