

Sea Isle City

CANCER

Virtual 5K and Family Walk

JUNE 27 - JULY 5, 2020

OUR MISSION

Bringing Hope Home® is a non-profit organization that provides Unexpected Amazingness™ to local Families with cancer through financial and emotional support. Through the Light of Hope Family Grant Program, we directly pay household bills to ensure our Families are able to stay in their homes, with a roof over their heads, utilities on, phones working, and food on the table.

WHY WE STOMP

At the age of 32, Paul's wife Nicole was diagnosed with Stage IV Hodgkin's Lymphoma. Even though this was an extremely difficult time, the Isenberg's were astonished by the love and support from family, friends, and strangers alike. They felt so blessed to have such great people in their lives and soon realized that no one should fight cancer alone. Sadly, Nicole's fight ended in 2003 at the young age of 39, but her legacy lives on through the special work we do in her honor.

This year, due to the COVID-19 pandemic, Sea Isle City STOMPS Cancer is going VIRTUAL. Our goal is to keep everyone active and safe while still celebrating all of our amazing Families! This "do it yourself" event will allow participants to run or walk from June 27th-July 5th at any location that is convenient and safe. Our race will provide a unique opportunity to get involved at a level that offers increased visibility among our donors, supporters and the Families we've helped! And running or walking virtually is a great way to get your employees involved!

Last year we had over 966 runners and walkers and raised over \$51,975.

This year, we look forward to **virtually STOMPing** with you!
