

# 2020 FAMILY GRANT SURVEY RESULTS

Bringing Hope Home pays essential household bills for Families battling cancer in the Greater Philadelphia Area. Through our Light of Hope Family Grant Program, we assist Families with rent and mortgage payments, as well as monthly household utility bills.

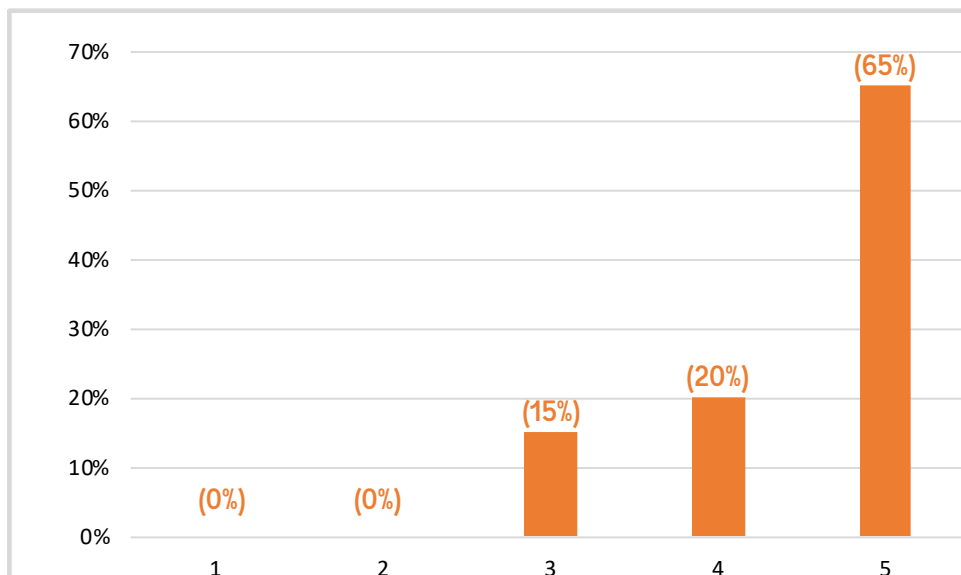

Recently, we reached out to all of our Families assisted in 2020 through our grant to complete a survey. Surveys were issued via email and by mail for any Family we did not have an email address for. We received responses from over 15% of our Families helped. Families were asked a number of questions, aimed at measuring the financial and emotional impact that our financial assistance had on them, specifically on their stress and healing. Below are the results of our survey.

DO YOU BELIEVE THAT THE BRINGING HOPE HOME LIGHT OF HOPE FAMILY GRANT HELPED TO BRIDGE THE FINANCIAL GAP FOR YOU AND YOUR FAMILY?

“ Bridging the gap does not even begin to describe what Bringing Hope Home did for my daughter and me. It’s emotional just sitting here writing this. I really didn’t know how I was going to make it but with help from wonderful, wonderful, wonderful people like the people at Bringing Hope Home, I made it. I didn’t see any light at the end of the tunnel, but now I am actually through the tunnel. ” - Gregory, BHH Family

## WHAT WERE THE MOST DIFFICULT OBSTACLES YOU FACED THROUGHOUT YOUR JOURNEY WITH CANCER?

“My experience with Bringing Hope Home's program was very much like a family that is starving and has nowhere to turn, and they look out their window and a food truck has pulled up right in front of their house and they're unloading crate after crate of good wholesome food for that family at no cost.”
