OUR MISSION

Bringing Hope Home® is a non-profit organization that provides Unexpected Amazingness™ to local Families with cancer through financial and emotional support. Through the Light of Hope Family Grant Program, we directly pay household bills to ensure our Families are able to stay in their homes, with a roof over their heads, utilities on, phones working, and food on the table.

WHY WE STOMP

At the age of 32, Paul’s wife Nicole was diagnosed with Stage IV Hodgkin’s Lymphoma. Even though this was an extremely difficult time, the Isenberg’s were astonished by the love and support from family, friends, and strangers alike. They felt so blessed to have such great people in their lives and soon realized that no one should fight cancer alone. Sadly, Nicole’s fight ended in 2003 at the young age of 39, but her legacy lives on through the special work we do in her honor.

This year is the 12th Annual West Chester STOMPS Cancer 5K & Fun Walk. We are anticipating over 500 STOMPERS joining us this year. Your sponsorship dollars make a difference in the lives of those battling cancer in our local communities. We are going to offer both in-person and virtual sponsorship opportunities this year. Our goal is to keep everyone active and safe while still celebrating all of our amazing Families! On October 16th, we will run or walk in West Chester and kick-off our virtual event that will end on October 23rd. Our race provides an unique opportunity to get involved at a level that offers increased visibility among our donors, supporters and the Families we’ve helped. Plus, it is a great way to get your employees involved!

In 2019, we had over 350 runners and walkers and raised over \$28,000. We look forward to STOMPing with you, any way that is most comfortable for you!

With support from partners like you, we can:

Pay the rent or mortgage

Pay household utilities

Cover car payments and car insurance

Purchase groceries
