

2021 ANNUAL REPORT

PROVIDING UNEXPECTED AMAZINGNESS TO FAMILIES WITH CANCER

DEAR HOPE NATION

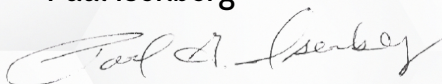

No one knew what to expect with the year 2021. The global pandemic still brought feelings of uncertainty, not only to Bringing Hope Home (BHH), but more importantly to our BHH Families. One thing remained certain – Hope Nation continued to be a constant Light of Hope for local Families battling cancer.

It was great to reunite in-person with each of you at all of our events in 2021! We learned to adapt to the changing needs of the world and hosted our Philadelphia Great Guys Dinner and STOMP 5Ks with both virtual and in-person components. Students never stopped bringing Hope to the Families in their communities. We had our most successful Hope Starts Here register campaign with ACME Nourishing Neighbors! In one month through local ACME Markets stores, Hope Nation raised enough funds to pay essential household bills and feed over 500 local Families. In addition to this register campaign, we were able to provide 150 Thanksgiving meals to BHH Families in partnership with ACME Markets Foundation. Over the holidays, through our Adopt-A-Family Program, 316 Families were able to have a wonderful holiday with their loved ones! The power of Unexpected Amazingness was in full force in 2021.

Despite the obstacles thrown our way by the lingering global pandemic, we were able to have one of our most impactful years as an organization because of supporters like you. We were able to help 744 local Families pay their essential household bills with over \$1 million in assistance! Whether you attended an event in-person or virtually, made a donation, or hosted a fundraiser for us, BHH could not have achieved this amazing milestone without your support!

We are very excited to share that we also finalized a Strategic Plan in 2021 to guide the organization's growth and help more Families. We know there are many Families out there that still need our help in our area. You make Hope Nation what it is – a group of Hope and comfort for so many. We will need your support in continuing to show Families they are not alone in their journey battling cancer. Thank you, Hope Nation, for an incredible year! We are very excited to embark on 2022 with you!

Sincerely,
Paul Isenberg
