

Bringing Hope Home
2023

Annual Impact Report

Unexpected Amazingness
for Families with cancer

Everyone deserves *Hope*

95.5%

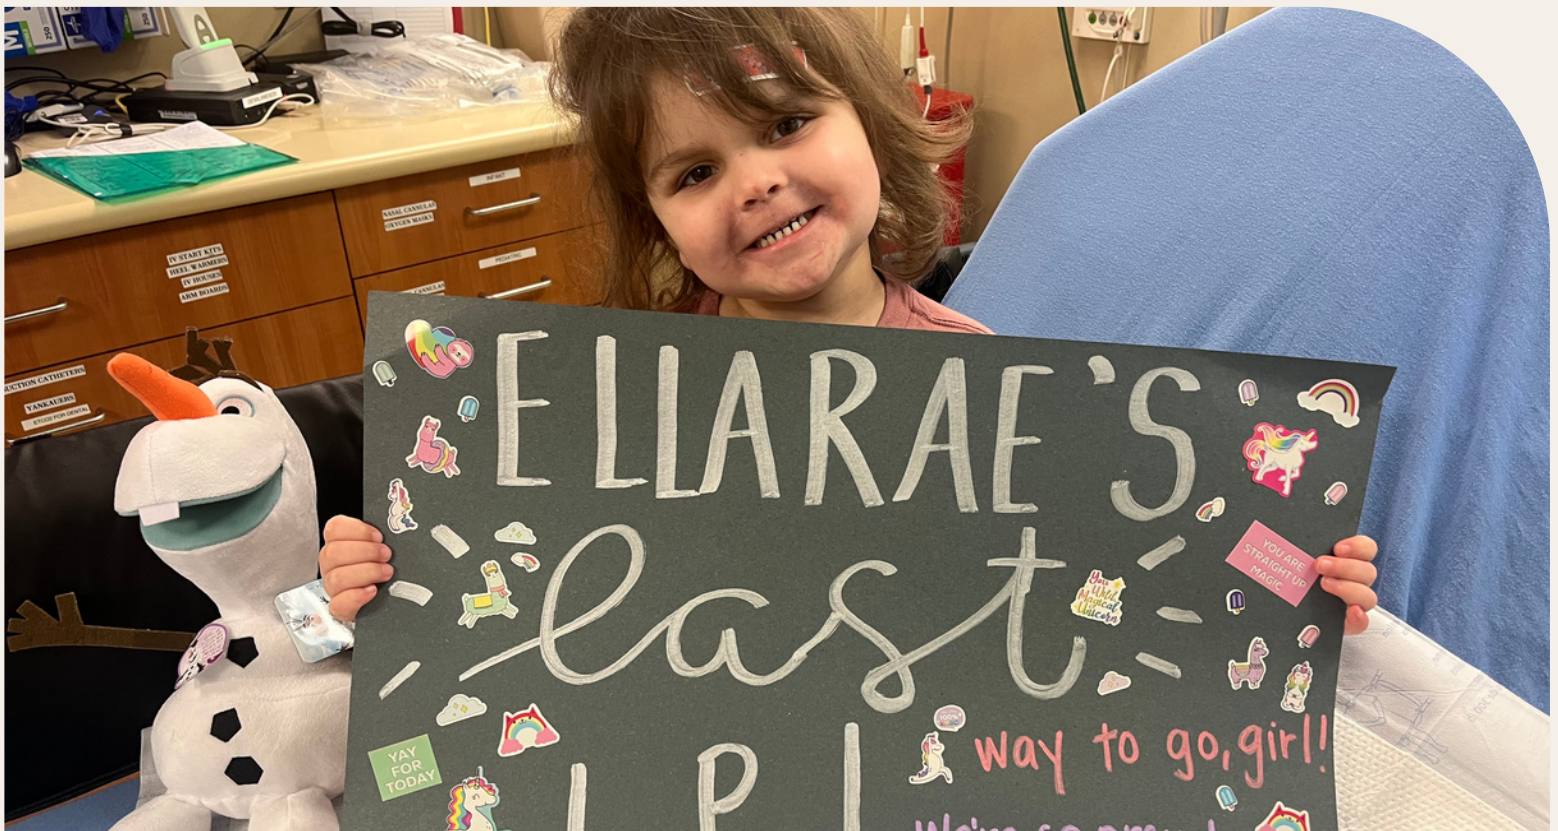

of Families said the Light of Hope Family Program helped to bridge the financial gap caused by their cancer diagnosis.

Vision

Thanks to HOPE Nation and Bringing Hope Home's tireless efforts, every Family with cancer will feel more hopeful and have less stress because of the positive, loving impact we have on their lives.

Mission

Bringing Hope Home is a non-profit organization that provides Unexpected Amazingness® to local Families with cancer through financial and emotional support. Through our Light of Hope Family Program, we offer one-time financial assistance to pay essential household bills for Families with cancer.

“Bringing Hope Home has allowed me to get a holiday meal for my family and it allowed me to buy my grandchildren a gift for Christmas. Money has been tight with all the co-pays, prescriptions and doctors. You all truly make a difference for us who have cancer. You are all very special people and I thank you all from the bottom of my heart!”

-BHH Family

1,005

Families helped in 2023

\$1.1 million

in assistance provided in 2023

\$217,000

in grocery support during their cancer journey.

Hope Nation helped 383 Families through our holiday Adopt-A-Family Program so Families were able to have a joyful holiday season.

Over 115 Families gathered at our 8th Annual Hope Family Reunion to spend a day at the ballpark with their loved ones.

Families & social workers hit the runway at our 13th Annual Ella Bella Fashion Show that raised over \$223,000 & helped over 160 local Families battling cancer.

Dear Hope Nation,

As we reflect on 2023, we are filled with gratitude for your unwavering support of Bringing Hope Home. Because of Hope Nation's generosity, we were able to help 1,005 Families with over \$1.1 million in assistance! We celebrated our 15th year as an organization and had the opportunity to visit members of Hope Nation who helped us achieve this milestone.

We were thrilled to welcome two new members to the BHH Team in 2023! As Hope Nation continues to grow, we had a successful year with our Signature Events! We saw Unexpected Amazingness in action as students provided Hope to Families battling cancer in their communities.

Through the past 15 years, we have seen the direct impact that our program has on local Families battling cancer. We must keep hope alive for years to come. We are excited to share that we have started our Endowment Fund in 2023, to continue to provide stability and be a Light of Hope for these Families during their cancer diagnosis.

Together, we offer hope and support, ensuring no one faces cancer alone. Whether you have attended one of our Signature Events or contributed to our Annual Fund, we hope you feel the impact your generosity has made! Thank you for being a Light of Hope!
