

2023 LIGHT OF HOPE FAMILY PROGRAM SURVEY RESULTS

Bringing Hope Home pays essential household bills for Families battling cancer in the Greater Philadelphia Area. Through our Light of Hope Family Program, we supported 1,005 Families in 2023 with household bills that include rent, mortgage, utility, car payment, car insurance, cell phone, cable and internet bills.

Recently, we reached out to all of our Families assisted in 2023 to complete a survey. Families were asked a number of questions, aimed at measuring the financial and emotional impact that our financial assistance had on them, specifically on their stress and healing. Below are the results of our survey.
